### **BELMONT PUBLIC LIBRARY**

### **OVERVIEW:**

**Budget Overview:** 

|                |  | FY22 FTE |
|----------------|--|----------|
| Total Salaries |  |          |
| Total Expenses |  | 24.5     |
| Total Overlay  |  | 1        |
| Grand Total    |  |          |

Submitted by: Peter Struzziero

The library has five primary areas of program.

- **Circulation Services** is the main public service point in the library. Staff is responsible for the handling of all print and audiovisual material and the return of all materials owned by the Belmont Library and materials from libraries in and outside the Minuteman network. Other services handled are maintaining the order of the entire collection in the stacks, renewals of materials, collection of fines, holds/reserves, patron registrations, creating of displays, and joint supervision of volunteers.
- Adult/Reference Services is a public service department where professional librarians assist users with advice on library collections and services, assist patrons with access to the internet, provide instruction in downloading eBooks and audiobooks to various devices, provide expertise on multiple kinds of information from many sources and direction to library materials. Reference staff are responsible for the oversight and management of all circulating materials, this includes the selection and deletion of books, eBooks, databases, and other materials (print and non-print) for the adult and reference collections. The staff also organize a wide range of programs for the public; including book discussion groups, lectures, concerts, films, and the community-wide reading program, One Book One Belmont.
- The Young Adult Services Librarian provides library and information services to students in middle and high school and selects appropriate materials for the collection. The Young Adult Librarian additionally schedules, designs, and delivers programming for teens, ranging from instructional workshops that supplement and support school learning, to volunteer opportunities, to unique opportunities for entertainment, creativity, and socialization. Other services provided include homework help, summer reading, book discussions, reading lists, and a Teen Page on the website. Collaboration with the schools is a priority across the board to ensure library resources compliment and support our Belmont students.
- Children's Services provides library and information services to young children from infancy through grade six. The staff selects a user-appropriate collection of materials in all formats. The department offers a variety of programs including story times, music programs, STEM (science, technology, engineering, and math) events, parent workshops, book clubs, community service opportunities, and special performances.
- Technology & Technical Services is the department which prepares new materials for the patrons to check out and manages all library technology. The department is responsible for the acquisition, cataloging, data entry, processing, and withdrawal of items from the collection. Staff handled over 45,000 items last

year, a 32% increase from the previous year. We expect this number to begin to level off going forward as we continue to close in on the right size for our collection. They also process all the mail including correspondence, packages, bills and invoices, and library subscriptions to magazines and newspapers.

### Staffing:

The proposed FY22 library budget has 24.5 FTE.

### Budget:

The proposed budget for FY22 is \$2,341,077 which represents a 5.4% increase from FY21. Important to note that our FY21 budget was cut from FY20, and that the Library turned back a substantial portion of the FY20 budget to support the needs of the town. The FY22 ask represents only a 3.9% increase from the 20 level. It all includes a small capital outlay ask, which likewise had been removed in FY21. The FY22 budget assumes a resumption of operating hours and services from FY20, with the usual amount of increase. The library funding is broken down into four primary line items. The Public Services line represents the largest portion of our budget with 62.2%; the Technology & Technical Services represents 15.6% while Plant Operations represents 13.8%; and Administration, which represents just 8.5%. The line items below support the five areas of program. The Circulation, Adult/Reference, Children's & Young Adult Departments all draw upon the Public Services Line. The other Departments each draw upon the line corresponding with their Department name.

| FY22                               | Salaries | Other Expenses | Total | % of Total |
|------------------------------------|----------|----------------|-------|------------|
| Public Services                    |          |                |       |            |
| Technology & Technical<br>Services |          |                |       |            |
| Plant Operations                   |          |                |       |            |
| Administration                     |          |                |       |            |
| Total                              |          |                |       |            |

Program Outcomes/Performance Accomplishments

### 2020 Accomplishments

Administration – Our patron's reliance on our services has never been a more clearly stated lifeline for the community than it is right now. They have made the call, and we have answered it. The Library has responded, reinvented, and refined the way we offer programs, services, education, and enrichment in an unprecedented situation.

- Active participation in the hiring and spending freezes of FY20
- Online programming from Library staff quickly proves popular among attendees
- Over 700 free care packages given to the citizens of Belmont
- Outdoor parking lot pickup of materials begins with a HUGE response. All told, over 6000 pickups during the library shutdown
- Belhop Personalized Recommendation Service begins
- With Plexiglass installed and PPE deployed, the Belmont Public Library is the first building in town to reopen its doors to daily visitors
- In the spring of 2020, when the shutdown of town buildings took place due to COVID-19, the town took steps to succeed financially in any way possible, especially with the close of FY20 nearing. When a hiring and spending freeze was put in place, the library <u>chose</u> to be involved in both these measures. We furloughed 25 employees (nearly half our staff) and returned nearly \$250,000 to the town's general fund. From the beginning of this health crisis, we have been team players in Belmont's effort to endure the financial hardships related to the Coronavirus. Given the fall 2019 support for a new building, a path of reduced spend on the building began. In FY20 building maintenance funds were prioritized for only the most critical health and safety needs.
- In the closing months of FY20, the Library proudly pivoted is program service online, and offered over 100 online programs leading into the summer when those numbers increased further. Programs included online discussions, book clubs, performers, and everything in between. In many cases attendance increased, proving to us that online programming will have a permanent place in the future of our service. As you'll read in the various sections of this report below, the library team adjusted its efforts and quickly began to bring all programming online, and increased programming each month as the Coronavirus continued to change the way we bring services to the citizens of Belmont.
- While the library was closed in the spring, we put out "Care packages" to citizens on the library walkways daily, made up of our stocked away supply of book donations (which usually generates between \$20,000 \$25,000 dollars annually in our Every Day Book Sale). We chose to give these books away in order to offer the community education and enrichment while the regular library experience was not available. While staff worked to develop new ways for citizens to use the library from their homes, patrons came daily to the property to take home free books to keep. At the end of the shutdown, the tally was over 700 care packages created, placed outdoors, and received by Belmontonians, all at no cost to patrons, or the taxpayers.
- In person contact was still limited, but that didn't stop the Children's Room from offering Summer Reading fun! Our virtual summer reading program, a collaboration between all library departments, had 234 registered children's users who completed 1,900 activities in total, and spent over 16,000 minutes reading. The program encouraged kids and their families to engage in outdoor and indoor activities of all sorts such as taking a family bike ride or building a pillow fort, as well as practicing their reading. Participants won a few levels of prizes including virtual badges and postcards, and gift cards to local Belmont businesses including Belmont Books, Rancatore's, and Champions Sporting Goods. The library is very grateful for the help from the Belmont Center Business Association and the Friends of the Belmont Public Library.
- As the online programming proved successful, and as the public health situation began to improve, we began a process to offer physical materials to patrons each day through our Parking Lot Pickup program. Patrons reserved the titles they wanted, and then selected the time that they could come and retrieve them so that

social distancing could still be achieved. We began with 40 appointments per day, then grew it to 96, and by the end of the program, we had 130 appointments per day! The staff invented, refined, and adapted this service so that the library could serve as many people as possible.

- The Belmont Library was among the first 10% of libraries to reopen its door to the public in the Commonwealth, and the first in our Community of Belmont. We appreciate the challenges that our colleagues throughout Belmont face are real indeed, and we faced many of our own unique challenges. Throughout these challenges, the library staff managed to put a process in place for citizens to begin picking up their items inside the library again without an appointment, and leave the advanced scheduling of parking lot pick up behind.
- With so many citizens struggling with employment issues, and many without computers at home, we knew that restoring access to technology was essential. With Plexiglass, walking guides, and PPE on hand, we began allowing patrons to request appointments to use computers, fax machines, copiers, printers, and more with help from library staff when needed. In no time at all, this service became very popular and we increased access to it so more patrons could be served.
- The Library began a new personalized recommendation service Belhop. The service, for all ages, is the latest way we can offer recommendations for patrons. Belhop stands for "Belmont Holds, Personalized" and that's exactly what patrons get! They just fill out our Belhop form and one of our librarians will send a list of 5-6 recommendations from our physical and/or digital collections to fit patrons' reading, viewing, or listening needs. Once they have decided what to read, watch, or listen to from the list, they can request the items from our catalog or one of our digital platforms. As soon as the items are ready for pickup, library staff reaches out and contacts patrons. Library staff has heard great feedback from many patrons already about this service, especially from our Belmont parents.
- To eliminate barriers to service and to increase usership, many of our peer libraries have chosen to eliminate late fees. In reviewing our fee policy, we decided instead to implement the Food for Fines program as an alternative. Fines can be paid in the traditional way or can now be satisfied with a non-perishable food donation for the Belmont Food Pantry. In its first year, this service has been overwhelmingly well received by the community, resulting in the monthly donation of hundreds of food items to the Pantry, helping them to meet their increased needs. The Library is now the largest contributor to the Food Pantry town wide.
- The Belmont Public Library Building Committee completed schematic and design process in early 2020. Now, with a completed and thoughtful plan in hand, the Belmont Library Foundation can now be most successful in its future major capital fundraising efforts.
- Several staff members resigned their posts at the Library in 2020 for a variety of reasons, from retirement, to opportunities for advancement in neighboring libraries, and to focus more on family. While we continue our work, and look to add new team members, we wish them all the best in life and their future endeavors. When positions turn over, we take the opportunity to critically evaluate the role, the functions its services, and modify as needed. The goal always is onboard any staff members needed to meet programming and service needs. This has proved a valuable exercise and is one we will continue in the future.
- Commemorating courage and sacrifice, the Belmont Public Library, in partnership with Belmont Veterans Services, hosted the annual Purple Heart Day Ceremony on August 7<sup>th.</sup> This summer, the ceremony was held at the new memorial overlooking Clay Pit Pond, which helped support social distancing while still acknowledging the incredible service of our local Purple Heart veterans.

• Board of Library Trustees incumbents Kathy Keohane (Chair) and Gail Mann (past secretary) won their seats back for a new three year term.

### **Circulation Services**

- The Belmont Public Library continues to be a top circulating public library in the Commonwealth of Massachusetts, even when compared to communities that are much larger than we are. The last completed statistics Pre-Covid showed the highest usage in our Library history, just below 650,000. The devotion of our patrons to the library and the hard work of our staff to keep making our services even better are a very important part of why that number is so high.
- Our Circulation Team continues to response to a very strong demand for books and materials from our patronage. While we have shifted some resources to speak for the higher cost electronic collections, the demand for physical materials remains high.
- Even with all the difficulties of the current health crisis, the library successfully completed another year of our homebound delivery program, "Books on Wheels," a partnership with the Council on Aging. Through this service, the library circulated hundreds of items by delivery to citizens in Belmont who could not come to the library in person due to health or age related issues.
- Staff in both the Circulation and Reference Departments carefully select and curate a variety of displays throughout the Library, highlighting current events, holidays, trends and unique interests. These displays drive very strong circulation statistics regularly, and through social media and other communication methods, staff worked together to create digital displays so that patrons could still take advantage of our library's offerings, even from home.

### Adult/Reference Services

- Our local oral history project, the Belmont Story Project (BSP), continued to collect stories from the people of Belmont. In the past year local residents, Dr. Kwan Kew Lai discussed her humanitarian efforts around the world, Hal Learson spoke on his career in the U.S. Navy during the Cold War, and Assistant Chief of Police Jamie MacIsaac shared his thoughts on growing up in Belmont and his 20+ years in public safety. BSP is presented in partnership with the Belmont Council on Aging, Belmont Historical Society, Belmont Media Center, and the Belmont Citizen-Herald.
- Building off of the Moon Memories programming in 2019, the library hosted several talks related to space and space exploration as part of the 2019 Adult Summer Reading Program, A Universe of Stories. An astrophotographer showed participants photos from the Hubble Telescope that capture some of the major wonders of the universe. The efforts to explore Mars were presented along with a predicted future of Mars exploration. The concept of Exoplanets was chronicled for those who want to learn more about our neighboring stars. This series was made possible by the support of the Friends of the Belmont Public Library and in partnership with the Aldrich Astronomical Society.

- Strategies for finding a job seem to be forever changing. The library provided support for job seekers with its 21st Century Job Search program led by Director of Success Associates Career Services, Larry Elle, MSW. Participants learned why a clear career goal is crucial, how to increase visibility to recruiters and hiring managers, and why networking is more important than ever.
- Library staff designed multiple exhilarating escape rooms for all ages. For the adult sessions of the Alien Autopsy Escape Room, patrons were tasked with rescuing a surviving alien from the government by solving puzzles and gathering clues. In the Vampire Sunset Escape Room, participants were trapped in a vampire's home and had to work together to escape before sunset!
- Amateur detectives had their time to shine with our Murder Mystery Party. Patrons of all ages came together on a rainy night to play our first ever interactive mystery game and solve the mystery of the haunted hunter. It was a night filled with mischief, mayhem, and murder!
- The Reference, Young Adult, and Children's Departments came together to create fun and successful programs. Summer Reading programs kicked off with events for all ages including a life-sized inflatable planetarium, virtual reality, and a movie and craft party. Spooky fun was had by all at the library's 2019 Halloween party which included crafts, cookies, and a virtual reality haunted house provided by the Belmont Media Center.
- For the first time, science fiction readers had a chance to have a book club of their own. Readers came together to discuss science fiction classics such as Frank Herbert's *Dune* while enjoying snacks and the company of other fans.
- Librarian Miriam MacNair started the Classics Book Group in October 2019 and the group has been meeting regularly ever since, including virtual meetings. The group is going very well, discussing together such titles as *The Age of Innocence* by Edith Wharton and *The Great Gatsby* by F. Scott Fitzgerald, linking these books to the themes of our modern day, and bringing together readers with a common interest in literature.
- Coordinator of Public Services Mary Carter and the Reference staff completed a year-long effort to right-size the collection of adult materials. We've found that having a smaller number of actual volumes increases the quality of our collection. Patrons now have easier access to sought after books and materials, and popular collections will now have the chance to grow as needed. In the coming year, we will look to refine the existing signage and relocate collections to increase ease of use and navigation within the library.
- The regular Books & Bites program featured a fantastic collection of authors. Marjan Kamali discussed her novel *The Stationery Shop*, set in Tehran in 1953 against the backdrop of the Iranian Coup, about a young couple in love who are separated on the eve of their marriage. Furthermore, librarian Miriam MacNair gave a presentation entitled *Winter Words: A Reading and Discussion of Poems About Winter*. She also gave a book talk on *The Long Loneliness* by Dorothy Day.
- We had more great authors speak on their works as part of the Books & Bites series throughout the year:
  - 0 Belmont author Sara B. Fraser Long Division
  - Stephen Puleo American Treasures: The Secret Efforts to Save the Declaration of Independence, the Constitution, and the Gettysburg Address

- Author Nina Sankovitch adapted her presentation for a virtual audience, speaking on Zoom about her new book *American Rebels: How the Hancock, Adams, and Quincy Families Fanned the Flames of Revolution.* Nina explored the roots of rebellion in an entirely new way. The access to this information didn't end the day of the program; patrons can find a recording of the author's presentation on the library's YouTube channel!
- The Belmont Public Library Cookbook Club continues to thrive. Working from a different cookbook each month, participants selected a dish to make and brought it to the month's potluck at the library, where they discussed what they liked and disliked about the book. The club was consistently filled to its capacity each month and showcases one of the library's deepest collections. The club did meet via Zoom during the pandemic to share meals each participant was making during the challenging times at the height of the shutdown.
- Due to patron interest, librarians started a Nonfiction Book Club for the first time this year. Each month, participants discuss a different title from the library's extensive nonfiction collection. The club reads titles across a wide range of subjects including true crime, history, science, food writing, and memoir. Since the beginning of the pandemic, the club has continued their meetings via Zoom.
- The Belmont Book Discussion group continued to meet every other month. This group also adapted quickly to an online format while the library building was closed, gathering in-person in January to discuss *The Widow's War* by Sally Gunning then transitioning online over the next few months for meetings about *Pachinko* by Min Jin Lee and *The Light Between Oceans* by M.L. Stedman.
- The Friends Music on Saturday Series hosted concerts throughout the year. We traveled back in time with a special performance by Marc Black focused on the early sounds of the 1950s and 60s. Then, we enjoyed soulful and light Turkish tangos, waltzes, and Balkan sirtos in our East Dances with West concert by Volkan Efe & Co., funded in part by the Belmont Chapter of the Massachusetts Cultural Council.
- Our patrons were once again given an abundance of author events to explore as part of the Friends Author Series. Readers with interests of all kinds were able to enjoy author talks including Jonathan M. Hansen discussing his book Young Castro: The Making of a Revolutionary, Daniel Zimmerman presenting Shots in the Dark: The Story of Rocco Balliro and the Tragic Events of February 2, 1963, Cheryl Suchors talking about her book 48 Peaks: Hiking and Healing in the White Mountains, as well as others.
- During the library shutdown, author and outdoorsman Sam "Sam I Am" Ducharme recounted his lifechanging backpacking journey in an online presentation and Q&A about his book *Sole Searching on the Appalachian Trail.* This virtual presentation was recorded and made available on the library's YouTube channel for those who were unable to attend live.
- In person and over Zoom, Tai Chi instructor Aisling O'Shea guided students through this beautiful and low impact form of martial art and meditation. She provided an overview of the basic concepts of Tai Chi and Qi Gong, and introduced patrons to the Tai Chi Long Form, open for all physical abilities since it can be adapted for standing, walking, or sitting. In between classes, students can continue to practice the Tai Chi movements by following along with recordings and tutorial videos on the library's YouTube channel.

- The library continued to offer two different weekly conversation groups for adult English language learners from countries around the globe, with weekly sessions for multiple skill levels held throughout the year.
- Personal chef Meryl MacCormack offered live cooking classes on Zoom. She showed us how to cook a fast, inexpensive, and flexible dinner from pantry essentials; ideas for kid-friendly snacks for busy Belmont parents; and tips for baking bread at home, with or without yeast. After each class, Meryl shared her recipes so patrons can recreate these dishes at home. In addition, each session was recorded and shared on the library's YouTube channel for attendees to refer back to anytime.
- What else can you find on the library's YouTube channel? Over a dozen tutorials showing patrons how to access library resources from home. While patrons couldn't get in-person help in the library building, these how-to videos helped Belmont residents read the Boston Globe through the library, invest with Value Line, explore Wowbrary, and more! These tutorial videos received 325 views *just between April and June 2020!*
- In addition to YouTube, librarians directed patrons to digital resources through the library's website, social media, and email newsletter to show how they could access the library from their living room. Patrons could discover eBooks, eAudiobooks, magazines, movies, music, and more from resources like hoopla and Libby by OverDrive.
- In order to meet the needs of our patrons at home, the library quickly expanded its digital offerings. We increased our monthly credits for Kanopy from 5 to 10 to connect patrons with film festival favorites, award-winning documentaries, and films from the Criterion Collection. Selections also included Great Courses, PBS programming, Women Make Movies, Samuel Goldwyn, and more. We also added Acorn TV to our online offerings so residents could stream popular British comedies, dramas, mysteries, and documentaries. For artists and crafters in our community, we offered Creativebug, a collection of arts and crafts how-to videos that walk viewers through the creative process, step by step.
- Even when the doors were closed in the spring, librarians remained available to connect patrons to library materials. We provided personalized recommendations, created themed book lists, directed patrons to NoveList to discover new authors and titles, and shared daily staff picks on social media.
- Staff curated resources from beyond the library with weekly "Explore the Web" posts on the library's website from March through June. We shared links to live theater and concerts, virtual tours from cultural institutions around the globe, online author talks and interviews, storytimes and podcasts for all ages, and more.
- In response to the protests following the murders of George Floyd, Breonna Taylor, Ahmaud Arbery, and countless others named and unnamed, the library encouraged those who want to learn more about the racial climate in the US and how we got here to explore our Read Against Racism resources. We selected books, documentaries, and articles that reflect the history of racial injustice in our country and illustrate the race-related issues still happening today. We also shared hopeful messages about the advocacy and antiracist activism to inspire in all members of our community. Our reading lists included books that can be read by children, teens, and adults of all ages.

- The library also worked hard to get physical books into the hands of patrons during the pandemic. With the support of the Friends of the Belmont Public Library, the library distributed over 700 Care Packages to Belmont residents between March and June. These colorfully labeled bags, each containing a handful of books, movies, or music, were placed outside on the front walkways of the library. Anyone walking by the library could stop and grab a bag filled with surprise titles to keep forever. These Care Packages were made possible by the support of the Friends of the Belmont Public Library, as well as Trader Joe's and Star Market.
- The library hosts several recurring adult events in addition to our author talks and music series. If you've never visited our groups like the Knitting Club, Tai Chi, or Dial M for Movies film club (run by Library Director Peter Struzziero), try them in 2021.

### **Technology & Technical Services**

The Technology and Technical Services Department is the most inconspicuous part of the library. Many of its activities are behind the scenes but that does not make it any less essential than the public facing services. From keeping all the IT up and running smoothly, to receiving and processing all new physical library materials and making them available for circulation use, the Technology and Technical Services Department keeps the library running smoothly. This department also handles all billing, invoicing, and tracking of library expenditures. All of these functions are essential elements for effective and efficient library services. All aspects of this department also performed above and beyond in response to the Covid situation.

- Tech Services initiated two projects to make collections more streamlined and accessible for patrons. In the first instance, all audiobook titles, which had previously been separated by genre (mystery, science fiction & general fiction) were integrated into one collection, making it easier for patrons to find all the titles by an author regardless of what kind of story it was. The second involved changing spine labels on the TV DVD collection, one of the most in demand collections in the library, to better identify the season or series making it easier for patrons to browse and find exactly what they are looking for. These may seem like minor adjustments, but these changes enable both an easier browsing experience and better identification of specific items.
- Part of the new mission of this department is to provide more robust reporting in aid of data-driven collection development so that the library can use their collections more efficiently. To this end, Tech Services provided detailed circulation and expense reports to inform the annual magazine/periodical renewals. With this input, staff could cancel titles that were no longer popular, while also adding two additional Chinese language periodicals. Similarly, during the health crisis that required the library to close for circulation of physical items, timely reporting was able to focus on available funds that could be utilized for OverDrive Advantage digital titles which helped the library reach more patrons from home. From an initial appropriation of \$18,000, additional funds were identified bringing the total expenditure for the digital collection to \$58,587.62, an increase of over \$30,000. This is an investment which has been well spent, reflected by the increase in digital circulation and the great feedback from our patrons who have benefited from this increase.
- In terms of technology, this year was one of crucial transitions and rapid responses to the unexpected. In anticipation of the end of Windows 7 support in January 2020, new Technology Librarian Lauren Pfendner upgraded all staff and public use computers, including laptops to Windows 10. Patrons did not have to be inconvenienced by out of order signs; Lauren utilized remote upgrading which required minimal disruption to patrons.

- Similarly, a change was needed in the library's antivirus software. Due to ownership and licensing changes, Symantec, the antivirus program used successfully for many years was unavailable as of January 2020. After much research, the transition was made to Bitdefender with a minimum of interruption of antivirus functionality, including ever increasing cybersecurity threats. Now patrons can use library computers while knowing that their personal information is being kept as safe as possible.
- As a result of the COVID-19 situation, most staff members were unexpectedly working remotely, and the Technology Department was crucial in responding to those needs. This took the form of providing laptops (recently upgraded to Windows 10 which significantly extended their usable lives), as well as setup and support for remote access to library computers. The latter was facilitated through the use of logmein licensed software provided by Town IT, and access to Sierra Web, the browser-based version of library ILS. They also supported the staff through the need to provide online programs and other content from outside the library.
- The Technology Department orchestrated the transition to a new calendar and museum pass management system. Earlier in the year, a need had been identified for a more robust and remotely accessible structure. Previously, staff were unable to access the calendar or museum pass software outside of the library. With this change, the new cloud-based software was instrumental in library staff's ability to schedule and promote library programs during the months when the library was closed to the public. This program continues to be crucial to the ease of providing online library programming.
- Belmont was one of the few libraries that continued to order new materials during the health crisis. With a combination of in-library & remote work staff, the Technical Services Department was able to continue to process these materials, providing patrons with the latest titles even when access to the physical library was necessarily limited. In June, over one thousand new items were processed and made available, a unique situation among most area libraries who had to face material backups and shipping delays that Belmont did not.
- There were several technology-related challenges involved in Parking Lot Pickup (PLP) and the return to work of staff in the library. Our Technology Librarian was essential not only in implementing the software needed to make PLP happen, but was key in defining the procedures both internally and patron-facing. Additionally, there were many hardware accommodations required for both PLP as well as relocating staff and public computers within the library to safely socially distance. To give a rough idea of what was involved, over a third of library computers had to be reconfigured, relocated, wired & tested, many with new scanners & receipt printers, including a major relocation of most of the Circulation Department to the Assembly Room. This was all accomplished without any disruption of staff work flow.

### Children's Services

• The Jane Gray Dustan Children's room, like the rest of the Belmont Library, reached across many barriers to provide programs and services to patrons of all ages even in the midst of a national health crisis. Children's program attendance and outreach to schools and other organizations throughout town totaled 9,097 attendees both from in person programming and virtual programming.

- During 2019 and 2020, Children's Librarians continued to make outreach a top priority. Librarians regularly visited three Belmont preschools (The Wonder School, Waverley Square Daycare, Belmont Cooperative Nursery School), and started scheduling visits with the Payson Park Preschool late in 2019. They also made a special visit to the Henry Frost Children's Program in the fall.
- The Library was not able to physically go to the Farmers' Market to perform storytime during the summer of 2020, but we still made virtual trips! Children's librarians Amy and Deborah took to Zoom to read books and perform songs promoting healthy eating and summer activities, while encouraging patrons to connect with the Farmers' Market.
- The library continued its regular outreach with local elementary schools and Chenery Middle School. During the fall of 2019, the library continued its Access for Every Student outreach program to insure that all fifth graders had the chance to create a library card of their own. The library enjoyed visits from second graders from the Burbank School where students were able to learn about library materials and resources, and get new library cards; the librarians returned the favor and visited the four Burbank second grade classes in January.
- The in-person school vacation programs that we were able to host were a huge draw. These included Mr. Vinny's Shadow Puppet Show where the audience watched beautiful handcut puppets in awe while still laughing themselves silly, a New Year's Eve concert with Marcos Valles where children counted down to the new year early and danced and sang along to great music, and Playful Engineers with Jay Mankita where kids had the chance to explore and build with STEAM toys and activities of all kinds.
- A large variety of storytimes and programs for our baby, toddler, and preschool aged patrons was offered. Regularly scheduled concerts and programs from popular local musicians Matt Heaton, and Emily Hall, and Music and Movement with local resident Rubi Lichauco, and musical storytimes from the Powers Music School helped round out our regular early literacy offerings in person. All of those performers created virtual programs in order to still reach our youngest patrons when they were unable to travel to the library.
- For our patrons who missed their regular in person storytimes for their young children, we met them at home (virtually)! During the quarantine, our children's staff recorded thirty-seven videos of songs, short puppet shows, finger plays, and picture book readings that were posted to the library's social media. These videos, many of which are still available to watch, received nearly six thousand views.
- The Library offered many popular after-school activities for older children, including from local Belmont companies and organizations such as Mad Science, Habitat, and Music Together of Belmont. We enjoyed regular visits from Elvis, a certified reading partner dog, to help children gain confidence in their reading. Our Parent Child Book Club continued to bring multiple generations together to discuss and analyze books while munching on pizza. Other programs included pajama storytimes for families who had trouble attending programs during the afternoon and craft programs such as making comic book art.
- The Children's Librarians continued to partner with the local organizations and town agencies throughout this year. The Belmont Fire Department's Engine 2 visited and gave kids a chance to see a real fire truck up close. A few weeks later, Belmont Firefighter Ross Vona read stories about firefighters and taught fire

safety tips during Fire Safety Week and Engine. Librarians have started regular visits to the Belmont Gallery of Art for storytimes and crafts that connect to their exhibits. The newly reformed Belmont Youth Commission helped provide popular events including a Pizza with the Police event where families could meet and socialize with Belmont Police officers and a storytime and ice cream event with the Fire Department. The Belmont Media Center ran after school programs where kids of all ages could use Tilt Brush and other virtual reality programs.

- After school programming went virtual in the spring with many successful programs from Hands on Nature, Habitat, and Pop Up Art School, as well as a stortyime and book launch from World Marathon Challenge Champion Becca Pizzi.
- Patrons missed the extensive readers' advisory and recommendations that library staff would provide in person, so we turned that into a digital offering! In collaboration with the Adult and Teen departments, the Belhop online personalized recommendation tool was created to help make recommendations for young patrons and their parents in either digital format or traditional print. Whether it was for a seven-year-old who wanted funny books or a two-year old who loved dinosaurs, library staff worked hard to help families keep up with their reading and maintain a sense of normalcy.
- The Children's Department's partnership with the Watertown/Belmont Coordinated Family and Community Engagement (CFCE) grant program remains strong. During the school year, the grant program offers a weekly Literacy Playgroup and parent workshops at the library and provides additional programs and resources to library patrons. Their programs went digital over the quarantine with their Stay School program, which the Belmont Library helped promote. They were also able to provide STEAM kits to go for preschool aged patrons to explore at home.

### Young Adult Services

- A key success of the Young Adult department in 2020 was the reinvention of the space. The remodel optimized the space usage and improved the comfort of the room. Feedback from teens on this project has been enthusiastic with many new teens enjoying the space. It's become the preferred spot to study, work on homework and hang out.
- This year the library offered 84 programs for teens with 616 total attendees. The selection of programs was well-rounded. Creative programming--including Escape Room Challenges, Dungeons and Dragons, and Monday Makes--focused on open-ended problem solving and cooperative learning. In-person social activities such as Homework and Hot Chocolate for middle school students and Teen Takeout for high school students were the most popular type of program until they ceased in March. Virtual programs for teens began in July with the addition of our new Young Adult Librarian, Hannah Lee.
- While summer reading did not begin until July, a total of 42 middle and high school students registered for the online summer reading program. Winners were chosen from the students who completed our weekly challenges and we had a high retention rate of participants.
- Girls Who Code, our chapter of the national computer programming organization dedicated to getting young women interested in coding and STEM fields, ran for 12 weeks through the Fall and Winter semesters with regular attendance.

• Belmont Library's first Comicon was originally scheduled for early March, but was postponed due to the pandemic. Its large slate of artists and creators have become essential contacts in planning for future events.

### Department Budget:

Below is a summary of changes above 5% from FY20 for non-salary items:

- Medical Billing An increase of \$235
- Training An increase of \$500
- Professional Dues An increase of \$190
- Phone costs An increase of \$771
- Book Budget A 5.4% increase for a new total of \$378,234
- All utilities and other plant lines were restored to FY20 levels, and then increased by 3% or less

### Staffing and Structure:

|                  | Total | % of Total |
|------------------|-------|------------|
| Circulation      | 5.8   | 24%        |
| Adult            | 5.6   | 23%        |
| Young Adult      | 1     | 4%         |
| Children's       | 4.4   | 18%        |
| Tech             | 4.4   | 18%        |
| Plant Operations | 1.3   | 5%         |
| Admin            | 2     | 8%         |
| Total            | 24.5  | 100.0%     |

*Circulation Services* consists of a supervisor, four full-time circulation assistants. The department also has several part time (non-union) employees who help cover the seven days, 68 hours that the department is normally open each week. The total FTE's for this department is 5.8

Adult References Services consists of a Coordinator and five full-time librarians; all full-time librarians report to the Coordinator of Adult Services. The Technology Librarian also covers the Reference Desk but reports to the Coordinator of Technology & Technical Services. The Department has several part time (non-union) staff that helps cover the Reference Desk during the 68 hours open. All staff in this department are professional Librarians, and must have a Master's Degree in Library Science. The total FTE's for this department is 5.6

Young Adult Services consist of a Librarian (1 FTE) who covers the reference desk part-time and reports to the Coordinator of Public Services.

Children's Services consist of a Coordinator and one full-time Children's Librarian. The department has one part-time (25 hours) library assistant and several part time (nonunion) staff that help cover the room seven days a week. The total FTEs for this department is 4.4

Technology & Technical Services consists of a Coordinator, one full time Technology Librarian, one full time Administration Assistant, and one full time Library Assistant. The Coordinator is a Librarian who also helps cover the reference desk. There is one part time staff member who works 12-16 hours per week. The department is open 35 hours a week. The total FTE's for this department is 4.4

The *Plant Operation* is staffed with a Head Custodian and a part time custodian who covers weekends and vacation. A contractual cleaning service also covers additional hours each week. The total FTE's for this department is 1.3

Administration consists of the Library Director, and the Administrative Coordinator The total FTE's for this department is 2.

### GOALS, PROGRAM PERFORMANCE MEASURES AND DESCRIPTION OF FUNCTION

### CIRCULATION SERVICES

1. Goal: Service - Provide excellent customer service to Library patrons and assist them in accessing the Belmont Library collection and the overall Minuteman Library Network.

- Continue to provide the circulation of materials safely, utilizing PPE, social distancing protocols, and educating patrons on how to use self-check out machines and the self-check mobile app on their personal devices.
- Greeting patrons as they enter the building and being the first point of contact and service. Checking out materials, processing reserves, collecting returns, and processing delivery bins of patron requests each day.
- Check in and check out materials owned by Belmont and materials from other libraries in and outside the network, notify patrons of reserves and overdue items, unpack bins for materials being returned to Belmont, and receive materials from other libraries to fill requests, pack bins to send Belmont materials to fill requests and return items from other libraries.

2. Program Performance Measures: The Belmont Library was proudly ranked 10<sup>th</sup> in Massachusetts for overall collection use at over 648,000 during the last complete year of data. Just four years ago we were ranked 15<sup>th</sup>. This is the highest collection use in Library History. As eBook and downloadable content circulation continues to rise the physical item circulation could see small decreases. Checkins and check outs of physical materials remained strong with close to 100,000 items in FY20. The Library has seen an over 300% increase over just the last few years in the items being downloaded. This trend in the way patrons utilize the library through electronic downloading is expected to continue in FY22. This will be a central theme in this document.

| Circulation Services Performance Measures |  |  |
|---|--|--|
| # of items checked in and checked out     |  |  |

### 3. Detailed Description:

- Check in and check out of all materials owned by Belmont and materials from libraries in and outside the network.
- Print paging list to retrieve material being requested from Belmont residents and other libraries, notifying patrons of reserves and overdue items.
- Reconcile fines and lost items.
- Issue library cards and maintain a patron database.
- Pack and unpack bins of materials going to and from the Belmont Public Library and other area libraries to fulfill patron requests.
- Shelve materials and maintain the order of the entire adult collection.
- Our Circulation team also manages our popular Books On Wheels Homebound Delivery Program, a collaboration with the Beech Street Center.

### ADULT REFERENCE SERVICES

- 1. Goal: Collection Development Maintain a strong print collection while providing new media and online resources to meet patrons' changing needs and interests.
  - Continue to offer online programming, virtual reference support via chat, phone, and email, and the support of job seekers through the current Covid19 recession.
  - Read reviews, keep up-to-date with electronic resources and media to aid in selecting of new materials for the adult collection to meet the needs and interests of the patrons.
  - Using circulation reports, and patron interests, staff withdraw items from the adult collection that no longer circulate, are no longer relevant, or have outdated information.

2. Program Performance Measures: As the Library looks to the future we continue to make efforts to right size our collection. The Adult Reference Department specifically has been working to decrease the size of our physical collection, increasing the quality of what remains, the ease in which to locate good sources, which helps us allocate resources for popular digital services. The Performance measure for this department will no longer be items added and withdrawn, but digital circulation goals, and adult programming efforts, and successful reference transactions.

The library has seen an over 300% increase over just the last five in the items being downloaded, signifying a clear shift in the way patrons access materials. This number was 116,660 last year, but grew to 141,039 this year. These numbers represent a wealth of digital options, including OverDrive for Ebooks, Kanopy for film streaming, our digitized year books, resident lists, historic newspapers, and the ever popular Hoopla, which has a little bit of everything. This trend in the way patrons utilize the library through electronic downloading has been consistent over the last decade and looks to continue in FY22 and beyond. We continue to shift resources towards electronic material purchases each year.

| Adult Services Performance Measures                                      |  |  |
|--|--|--|
| # of program offerings   |  |  |
| # of reference transactions  |  |  |
| # of ebook, music, video downloads and other electronic collection usage |  |  |

### 3. Detailed Description: Adult/Reference Services Overview

- Select books, databases and other materials for the adult and reference collections.
- Keep up-to-date on the development of electronic resources and other new media.
- Select and maintain the general reference, fiction and non-fiction collections.
- Select and maintain the audio visual collection including music compact discs, talking books, DVDs, and Blu-rays.
- Answer information and reference questions in person, over the phone and by email.
- Provide guidance and instruction to patrons using the Internet, the online catalog, and other online databases.
- Maintain and update the library website.
- Initiate and facilitate appropriate programs for library patrons.

### YOUNG ADULT SERVICES

1. Goal: Collection Development - Maintain a strong print collection while providing new media and online resources to meet patrons' changing needs and interests.

- Continue virtual and outdoor programming efforts to education and enrich the lives of teens. Continue to make and donate masks to town wide effort.
- Read reviews, keep up-to-date with electronic resources and media. Stay attentive to the school curriculum to provide homework support. Select materials for the Young Adult collection to meet the information needs and leisure reading/viewing of the students in grades seven through twelve.
- Using circulation reports, school curriculums, and students' interests, staff withdraw items from the Young Adult collection that no longer circulate, are no longer relevant, or have outdated information.

2. Program Performance Measures: With an updated, comfortable, and attractive space for Belmont Teenagers to enjoy, and a now right sized collection the performance measure for this department is now to host successful programming efforts to engage our great teen population.

| Young Adult Services Performance Measures |  |  |
|---|--|--|
|   |  |  |

| # of Young Adult programs           | 1 |  |  |
|-------------------------------------|---|--|--|
| # of Young Adult program attendance |   |  |  |

### 3. Detailed Description: Young Adult Services Overview:

- Provide library and information services to students in grades seven through twelve. Select materials for the young adult collection & maintains the collection.
- Assist students in the selection of materials for school assignments and in choosing materials for their leisure reading.
- Instruct students in the use of the online catalog and databases.
- Train, schedule, plan projects and collect statistics for teen volunteers.
- Initiate appropriate programs including reading programs, writing workshops, STEM (science, technology, engineering, and math) programs, and our Teen Advisory Board.
- Maintain teen pages of the website for homework support, study guides, book review database and book lists.
- Work closely with the middle school and the high school teachers and librarians.
- Offer one-on-one research support to students working on major projects and papers.

### CHILDREN'S SERVICES

- 1. Goal: Collection Development Maintain a strong print collection while providing new media and online resources to meet patrons' changing needs and interests.
  - Continue the processes of virtual storytime, Belhop Recommendations, and live programming, whether virtual or in person.
  - Read reviews, keep up-to-date with electronic resources and media, and keep up-to-date with the school curriculum for homework support in order to select new print and non-print materials for the children's collection to meet the information needs and leisure reading/viewing of children from infancy through the sixth grade and their parents.
  - Using circulation reports, school curriculums, children and parents interests, staff withdraw items from the Children's collection that no longer circulate, are no longer relevant, or have outdated information.

**Goal:** Programming – Provide developmentally appropriate learning experiences by offering a variety of story times, performances, sing-alongs, STEM (science, technology, engineering, and math) events, and other activities appealing to children of all ages and a wide variety of interests. Including programs in other languages to reflect our diverse population of residents.

2. Program Performance Measures: The Children's Department offered 334 programs in FY20, sometimes two in a day. This number impressively met our goal.

| Children's Services Performance Measures |  |  |
|--|--|--|
|  |  |  |
| # of Children's programs                 |  |  |

### 3. Detailed Description: Children's Services Overview

- Provide library and information services to children from birth through grade six.
- Answer reference questions and provide readers' advisory service to children and caregivers.
- Select and maintain the print collection of picture books, easy readers, fiction, graphic novels, and non-fiction.
- Select and maintain the audio-visual collection of movies, audiobooks, and music.
- Provide programs including story times for children from infancy through 5 years of age, reading programs throughout the year for readers and pre-readers, music programs, science and maker programs, and other enrichment programs funded by the Jane Gray Dustan Fund.
- Check in and check out of all children's materials owned by Belmont and other libraries in the network.
- Process children's reserves, issue library cards to children, reconcile fines and lost items on children's library accounts, shelve materials.

### **TECHNOLOGY & TECHNICAL SERVICES**

1. Goal: As a newly combined Department, our 1<sup>st</sup> year goal was to streamline all the technical or back of the house processes having to do with technology, technology Support and the processing of new materials for checkout or patron use in the Library. This is going very well, and continues to be a focus. Technical Services staff members also process outgoing materials as data on usage is captured.

- Order and process all new materials, enter the new material into the online catalog and prepare each item with proper label, security, and jacket to make item ready for check out.
- Process all discards to keep the online catalog up-to-date.
- Manage all technology, hardware, software, devices, technology programming, and other library electronic equipment.

2. Program Performance Measures: 45,150 items were processed this year, exceeding our goal. Trimming down our physical collection continued to be a high priority and improves the accessibility of the overall collection. As we pivot further towards electronic materials, the projection for FY22 is 35,500 items processed.

| Technical Services Performance Measures |  |  |
|---|--|--|
| # of items processed                    |  |  |

### 3. Detailed Description:

- Order, receive, process and invoice new materials.
- Enter all new materials into the Minuteman Library Network's online catalog.
- Prepare items with proper labels, security strips, and plastic jackets.

- Replace jackets, cases, barcodes, labels, etc.
- Receive, sort and distribute mail.
- Check in periodicals.
- Maintain (adding and discarding materials) holdings information.
- Create requisitions.
- Assist on the circulation desk.
- Help unpack the deliveries with materials being returned to Belmont as well as materials to fill holds for Belmont patrons.

### SUMMARY: A Year primed to break records but instead - a successful pivot in service model, and a grateful patron base.

As highlighted in our administrative accomplishments section – the Library team reinvented what it means to be a public library this year in response to COVID-19. With no road map or past experience to draw upon, our team saw the call, and answered it. At present, we are the most active building in town, currently offering virtual programming, physical materials in building, and digital materials from home, service via phone, email and chat, delivering a true value to our community. Our work here is not done though. As we enter 2021 we hope for the best but are prepared for any outcome or needed shift in focus.

### Opportunities: Future of the Library Now More than Ever

The library is the most heavily used community wide resource. In times of economic downturn and strife, library services historically see strong increase in the use of their services. Our library continues to serve as a valued and valuable community resource. The Library team has done an amazing job reinventing and reimagining what the library means to the community during this pandemic and beyond.

Community support for the Library continues to be strong. While servicing the community day to day, we have also been looking at the future. We have successfully completed a Long Range Plan, Feasibility Study and most recently a Schematic Design for a new building to be located on our current site.

While so many things have changed with the events of the past months, one thing has not changed. Our current building does not meet the needs of the community; structurally nor programmatically. The Trustees of the Library will work in partnership with Town Government and Committees to outline the timeline for a new building that makes sense not just for the Library but also for the Town. The Belmont Library Foundation will manage a capital fundraising campaign to offset the financial burden on our taxpayers. STATE REQUIREMENTS:

To be a certified by the Massachusetts Board of Library Commissioners, the library must continue to:

- 1. Meet the Municipal Appropriation Requirement
- 2. Meet the minimum standards of free public library service
- 3. Remain open a minimum number of hours per week

- 4. Allow non-resident borrowing
- 5. Expend a percentage (based on population) of the municipal appropriation on materials
- 6. Have a Director with a Master's Degree in Library Science

By meeting these State requirements, the Town of Belmont receives the following benefits:

- 1. The Library is allowed continued membership to the Minuteman
- 2. Library Network which in turn allows interlibrary loans, reciprocal borrowing privileges and free use of other libraries for Belmont patrons.
- 3. The Library is allowed access to grants and ensures yearly state funding. Belmont Library usually receives in the range of \$30,000 -\$35,000 per year.

# CHINESE PERIODICALS & NEWSPAPERS 中文期刊和报纸

BELMONT PUBLIC LIBRARY / BELMONT CHINESE AMERICAN ASSOCIATION

NOVEMBER 2020

#### HTTPS://WWW.FACEBOOK.COM/BCAAMA/

The Belmont Public Library has been working hard to provide residents with safe and thoughtful services during the new Coronavirus pandemic. In order to enrich everyone's spare time and meet the needs of multilingual and cultural learning, the library is planning its future work, hoping to use it for the people. The Belmont Public Library did a survey in order to better provide you with Chinese reading services. Thank you for sharing information and opinions.

贝镇公共图书馆在新冠病毒大流行期间一直坚持努力为居民提供安全和周到的服务。为了丰富大家的业余生活,满足多种语言文化学习的需求,图书馆正在规划将来的工作,希望能取之于民用之于民。贝镇公共图书馆为了更好地为您提供中文阅读的服务而做次调研。感谢您分享信息和观点。

ONLINE SURVEY DESIGNED WITH 7 QUESTIONS VIA SURVEY MONKEY 我们使用SURVEY MONKEY 设计了网上问卷一共7个问题

- Sent out via WeChat social medial platform with assistance from BCAA
- 本次问卷通过华协的帮助在WeChat社交媒体 群发布
- Received 43 respondents during 2 weeks in November 2020
- 在11月2周的时间共收到43份回复

| AN | SWER CHOICES         | ▼ RESPONSES |
|----|----------------------|-------------|
| *  | World Journal 世界日报   | 35.00%      |
| •  | Duzhe 读者             | 50.00%      |
| •  | Reader's Digest 读者文摘 | 47.50%      |
| *  | None 都没有             | 25.00%      |

WHICH NEWSPAPER(S) WOULD YOU LIKE TO READ IN THE FUTURE?

您希望以后可以 阅读哪些报纸? China Daily 中国日报 http://global.chinadaily.com.cn/ Reference News 参考消息 https://www.cankaoxiaoxi.com/ China Economic Times 中国经济时报 http://www.cet.com.cn/ United Daily News 联合报 https://udn.com/news/index Apple Daily 苹果日报 https://hk.appledaily.com/ Wen Wei Po 香港文汇报 https://www.wenweipo.com/

World Journal 世界日报http://ep.worldjournal.com/

#### WHICH PERIODICAL(S) WOULD YOU LIKE TO READ IN THE FUTURE?

您希望以后可 以**阅读**哪些期 刊? Meng Ya 萌芽 http://www.mengya.com/mengya-magazine/

Liao Wang 瞭望周刊 http://lw.xinhuanet.com/

## WHAT DO YOU LIKE MOST ABOUT OUR LIBRARY? 您最喜欢图书馆的哪些方面?

- Location
- Kids Room
- Public lectures and quiet rooms on the 2nd floor
- Chinese Publications
- Service
- A fine community space

- Quiet
- Convenience
- Book Reservation
- Friendly Staff
- · Can borrow a good variety of books

#### WHAT ELSE CAN WE DO TO IMPROVE OUR SERVICE FOR YOUR CHINESE READING NEEDS?

我们还可以在哪些方面提供更好的中文阅读服务?

#### MORE...

- More Parking Space
- More Chinese novels
- More new books every year
- More Fiction for elders
- Add free online reading sources
- More Chinese reading resources for kids pre K-12, in particular, early readings and picture books
- It will be great if the books are printed horizontally instead of vertically.
