

Ways to Support the Library Fundraising

How Will I Be Recognized

Note: Dedication Brochure would likely include donor names and giving levels

Wall for All....Built by Belmont for Belmont

What is the main wall?

- Centrally located
- Includes all donors to the project in alphabetical order
- May consider listing out specific donors at a significant level
- Note location options to be recommended by the Building committee and reviewed and approved by Library Director (impact to library operations) and Trustees
- Cost of wall production to be covered by the Foundation

Note Bricks may be available in 2023/2024 but are not a focus for this current fundraising campaign

- Potential areas for bricks to be identified by the Library Building committee but approved by Trustees
- Cost of production and installation of bricks to be covered by the funds contributed for them
